

Digital Cultural Heritage in the Era of AI and Extended Reality

26 May 2026, in Limassol (Cyprus)

Call for Posters

The **EUreka3D-XR Final Event** will include a poster exhibition, and participants are invited to submit posters and share projects, research, and practical experiences.

The submitted posters will be presented during a special posters session on the 26th May.

Submit your proposal through the online form and join us in exchanging ideas and experiences!

Poster Submission Guidelines

- Posters must address topics related to EUreka3D-XR, including 3D digitisation and XR experiences in cultural heritage, XR tools, AI in cultural heritage, e-infrastructures, reuse of 3D content, and capacity building for Cultural Heritage professionals.
- All submissions must be in English.
- Posters must be submitted via the dedicated [online submission form](#).
- Registered authors may attend and present the poster in person, or may choose to exhibit the poster without an in-person presentation.
- The event organising team will arrange the printing of posters submitted by the deadline. Printed posters will be available at the venue.
- Posters will be displayed from 26 to 29 May, during the EUreka3D-XR Final Event and the Digital Heritage Summit 2026. Poster presentations will take place on 26 May as part of the EUreka3D-XR Final Event.
- The recommended poster format is DIN-A0 portrait at 600dpi; however, you may use landscape if you wish. A digital copy of the poster must be uploaded through the submission form.
- After the event, all posters will be compiled into a small publication, shared with participants and published on the project website.

Submission deadline: 1st May 2026
